PROFILE

Highly organised multidisciplinary administration and operations professional with experience in project coordination, documentation, scheduling, procurement, inventory, vendor liaison, client communication, staff supervision and digital productivity. Advanced Excel user with strong analytical, written and digital capabilities, experienced in managing competing priorities, maintaining accurate records and supporting efficient day-to-day operations. MEng-qualified, adaptable and quick to learn new systems, with a demonstrated ability to coordinate people, information, deadlines and operational details.

OFFICE & OPERATIONS CAPABILITIES

- **Administration:** Calendar/meeting coordination; minutes; correspondence; filing; confidential records; reports; travel bookings; office supplies; onboarding support; document control.
- **Operations:** Procurement; quotations; purchase coordination; inventory; vendor liaison; scheduling/rosters; task allocation; deadline tracking; operational records; maintenance coordination.
- **People / Projects:** Team supervision; training and mentoring; task delegation; work review and feedback; stakeholder coordination; project coordination; action tracking; teamwork and client communication.
- **Excel / Data:** Advanced Excel: formulas, XLOOKUP/VLOOKUP, PivotTables, dashboards, charts, Power Query, macros/VBA and data cleaning; strong numerical ability.
- **Digital Productivity:** Digital document management; collaborative working; online meeting coordination; AI-assisted research and administration; workflow organisation; rapid adoption of new systems and platforms.
- **Business Support:** Market research; presentations; marketing materials; structured reporting; procedural/compliance awareness; exposure to UAE free-zone business setup and licensing workflows.

PROFESSIONAL EXPERIENCE

Business Setup & Marketing Consultant

Apr 2025 – Present

Cresco Consulting FZCO | UAE

- Coordinate calendars, meetings, minutes, correspondence, travel arrangements, expense records, invoices, quotations, purchase orders and client-facing documentation while managing competing priorities and deadlines.
- Maintain organised digital files, confidential records, reports and business documentation, supporting day-to-day administrative, commercial and onboarding activities.
- Coordinate marketing/media projects and suppliers, tracking tasks and deliverables from planning through completion.
- Completed IFZA partner training and gained exposure to UAE free-zone business setup, licensing, documentation, compliance and portal workflows.
- Use Microsoft 365, advanced Excel, Google Workspace and AI tools to streamline research, correspondence, reporting, presentations and recurring administrative workflows.

Stewardess / Deckhand / Engineer Assistant / Operations

May 2023 – Apr 2025

Research Vessel ROSA | USA & Bahamas

- Initially joined ROSA as a day worker before being offered a permanent crew position, progressing into broad administrative, operational, guest-service and vessel-support responsibilities.
- Created and customised user-friendly operational reports and information documents, improving the clarity and accessibility of information for different users.
- Managed inventory, procurement, supplier/vendor coordination, travel/operational arrangements, records and technical documentation in a fast-moving private-vessel environment.
- Prepared schedules/rosters, trained and supervised new crew/dayworkers, delegated tasks, monitored standards and addressed day-to-day performance or operational issues.
- Coordinated maintenance and repair planning and supported engines, plumbing, IT and marine systems while maintaining strict safety and service standards.
- Operated in a confidential, high-standard private-client environment requiring discretion, responsiveness, organisation and meticulous attention to detail.

Academic Journal Editor

Nov 2022 – Apr 2023

CACTUS Communications | Remote

- Managed multiple deadline-driven assignments, edited complex documents for accuracy/consistency and communicated constructive feedback to authors.
- Maintained strong quality control, independent work discipline and meticulous document review.

Process & R&D Engineer

Mar 2021 – Jul 2022

Free Radical Process Design (FRPD) | South Africa

- Managed experimental objectives, project documentation, schedules and client-focused deliverables across multiple technical investigations.
- Prepared reports, specifications and process documentation; reviewed and compared supplier quotations; coordinated laboratory activities and worked across teams.
- Maintained organised and traceable technical records while coordinating information, documentation and deliverables across concurrent client projects.

Postgraduate R&D Engineer / Researcher

Jan 2020 – Dec 2021

University of Pretoria | South Africa

- Managed a multi-year research programme, coordinating experimental schedules, laboratory resources, data, documentation and project deadlines.
- Supervised and mentored undergraduate vacation-work research assistants, communicating project objectives, delegating experimental tasks, reviewing completed work and reports, and providing feedback and technical guidance.
- Maintained structured experimental records and datasets, tracked project progress and produced detailed technical reports and research outputs.

ADDITIONAL EXPERIENCE

Community Project Volunteer – Office Organisation & Administration

Nov 2015

Chrysalis Preschool | South Africa

- Completed a four-week office-improvement project, reorganising filing and document-storage systems, labelling and organising records, keys and office materials, and improving the organisation and presentation of administrative areas.
