PROFILE

MEng-qualified Chemical Engineer, TEFL/TESOL-certified English tutor and experienced university Teaching Assistant with a strong background in STEM tutoring, laboratory instruction, learner supervision, assessment and technical communication. Experience supporting undergraduate engineering students, teaching English online to learners of varied ages and nationalities, and mentoring undergraduate research assistants through structured experimental work. Brings clear communication, patience, organisation and practical industry and research experience, with confidence using digital and AI-assisted tools to support learning and content development.

TEACHING & EDUCATION CAPABILITIES

- **Teaching & Tutoring:** Mathematics; science/STEM; English; laboratory instruction; small-group support; concept explanation; learner engagement.
- **Assessment & Feedback:** Grading; work review; constructive feedback; research-report review; progress support; academic communication.
- **Learner Support:** Mentoring; task guidance; adapting explanations; supervision; motivation; supporting varied ages and backgrounds.
- **STEM Expertise:** School-level mathematics; chemical engineering; chemistry; process engineering; particle technology; kinetics; research methods; data analysis.
- **Digital Learning:** Microsoft 365; Google Workspace; Teams; Zoom; Canva; advanced Excel; AI-assisted research and content tools.

TEACHING, TUTORING & MENTORING EXPERIENCE

Teaching Assistant

Feb 2019 – Jun 2021

University of Pretoria | South Africa

- Supported undergraduate teaching in particle technology, engineering practice/costing, final-year research and kinetics laboratory work.
- Facilitated laboratory sessions and tutoring, supervised student work, prepared learning activities, graded assessments and provided constructive technical feedback.
- Explained engineering concepts and experimental methods clearly, helping students connect theory with practical laboratory and research work.

Online English Consultant / Tutor

Sep 2020 – Mar 2021

MPC Connect – Rosetta Stone & iTutorGroup | Remote

- Delivered structured online English lessons through Rosetta Stone and iTutorGroup to learners of varied ages, nationalities and proficiency levels, adapting communication and providing constructive feedback.
- Supported learner participation and confidence through clear explanations, guided practice and responsive one-to-one communication.

Postgraduate R&D Engineer / Master's Researcher

Jan 2020 – Dec 2021

University of Pretoria | South Africa

- Supervised and mentored undergraduate vacation-work research assistants, communicating project objectives, delegating experimental tasks, reviewing completed work and reports, and providing feedback and technical guidance.
- Managed a multi-year laboratory research programme, strengthening skills in planning, data analysis, scientific writing, presentation and evidence-based problem solving.

Camp Counsellor – Volunteer

Dec 2019

Camp Keshar | South Africa

- Supervised and supported a junior girls' cabin at a two-week youth camp, helping care for and engage children under 13 within a wider camp community of approximately 60 participants.
- Worked within an 11–12-person counsellor team to plan and deliver activities, excursions, group programmes, skits and presentations.

OTHER PROFESSIONAL EXPERIENCE

Business Setup & Marketing Consultant

Apr 2025 – Present

Cresco Consulting FZCO | UAE

- Create presentations, digital content, websites, visual materials and structured written communications using Microsoft 365, Canva and AI-assisted tools.
- Coordinate research, documentation and client-facing materials while managing multiple priorities and adapting information for different audiences.

Yacht Stewardess / Deckhand / Engineer Assistant

May 2023 – Apr 2025

Research Vessel ROSA | USA & Bahamas

- Delivered personalised support to adults and families with young children, including an infant and toddler, and planned age-appropriate activities and experiences in a high-standard private-vessel environment.
- Trained and supervised new crew/dayworkers, delegated tasks, supported schedules and maintained clear standards and expectations.
- Created guest information materials and regular updates, combining clear communication, organisation and visual presentation.

Academic Journal Editor

Nov 2022 – Apr 2023

CACTUS Communications | Remote

- Edited scientific manuscripts for language, technical clarity, consistency and journal compliance while providing constructive feedback to authors.
- Managed multiple deadline-driven assignments and strengthened complex scientific communication for international academic audiences.

Process & R&D Engineer

Mar 2021 – Jul 2022

Free Radical Process Design (FRPD) | South Africa

- Conducted technical investigations and experimental programmes across hydrometallurgy, mineral processing, electrochemical systems and water/tailings treatment.
- Prepared technical reports, process documentation and engineering recommendations, translating complex technical information into clear, structured outputs.

EDUCATION

MEng Chemical Engineering | University of Pretoria, South Africa | 2021

BEngHons Chemical Engineering (Distinction) | University of Pretoria | 2020

BEng Chemical Engineering | University of Pretoria | 2019

SELECTED CERTIFICATIONS & TRAINING

- Advanced TEFL/TESOL – Global Language Training | 2020
- Operations Management Professional Certificate – Jack Welch Management Institute / LinkedIn Learning | In Progress (2026)
- AI for Project Management: Managing Risk with Generative AI – NASBA / LinkedIn Learning | 2026
- ChatGPT Prompt Engineering for Developers – DeepLearning.AI | 2026

ADDITIONAL SKILLS

- Digital: Microsoft 365, Google Workspace, Teams, Zoom, Canva, advanced Excel, ChatGPT, Claude, Gemini, NotebookLM and Copilot.

AWARDS

- MasterMaths Scholarship | 2012–2013

LANGUAGES

- English (Native) | Afrikaans (Proficient) | Hebrew (Basic)
